MALTING BARLEY FUTURES & OPTIONS

LCH.Clearnet is pleased to announce that Malting Barley futures and options will be cleared as from **Monday 10 May 2010**.

The NYSE Liffe Malting Barley Contract, which will encompass Malting Barley from any European origin in a 50-tonne lot size, has been designed to meet the growing demand for new price risk management tools from the European Malting Barley sector.

This new product will be cleared through our standard derivatives clearing system and will not require any enhancement from the customers. It will enhance the range of commodities products cleared by LCH.Clearnet SA and demonstrate the growing activity of this segment.

Specific instructions have been published and are available through the link below:
