SKIMMED MILK POWDER FUTURES

LCH.Clearnet is pleased to announce that Skimmed Milk Powder futures will be cleared as from Monday 18 October 2010.

The NYSE Liffe Skimmed Milk Powder Contract will encompass Skimmed Milk Powder in a 24-tonne lot size.

This new product will be cleared through our standard derivatives clearing system and will not require any enhancement from the customers. It will enhance the range of commodities products cleared by LCH.clearnet SA and demonstrate the growing activity of the segment.

You will find attached the NYSE Liffe notices detailing the technical characteristics of the product.

Should you require further information, please do not hesitate to contact your account manager or alternatively:

Arielle Combes, Head of Customer Relationship Management (arielle.combes@lchclearnet.com).
