WEEKLY OPTIONS ON INDIVIDUAL SHARES

LCH.Clearnet is pleased to announce that weekly options on individual shares will be cleared as from **Friday 16 July 2010**.

These new option classes on ING Group, ArcelorMittal and Royal Dutch Shell will have an initial lifetime of one week. The weekly options will have the same standard contract specifications as the existing Individual Equity options; the only difference is their lifetime.

This new product will be cleared through our standard derivatives clearing system and will not require any enhancement from the customers.

You will also find attached the NYSE Liffe notice detailing the technical characteristics of the product.

Should you require further information, please do not hesitate to contact your account manager or alternatively:
